Note: There is evidence that the higher your self-esteem, the more effective affirmations can be. However, this research also found that if you have low self-esteem, positive affirmations actually make you feel worse, because they set up a conflict between the positive state you desire and the negative feelings you currently experience. If this applies to you, work on [Boosting Your Self-Esteem](#) ...

Latest News. ASME Volunteer Group Leaders Convene at Conference in San Antonio Approximately 200 leaders from the Society’s sections, divisions, technical chapters and research committees gathered in San Antonio, Texas, recently to meet with each other and staff members from ASME’s various departments at the 2019 Group Leadership Development Conference (GLDC).

## **News - ASME**

Our world is changing faster than anyone predicted. Already, freshwater supplies are shrinking, agricultural yields are dropping, our forests are burning, and rising oceans are more acidic—all, in part, due to a warming climate. As our natural world changes around us, so does our way of life. Coastal home values drop as insurance premiums rise; drought reduces feed for American farmers ...
