Heaven, or the heavens, is a common religious, cosmological, or transcendent place where beings such as gods, angels, spirits, saints, or venerated ancestors are said to originate, be enthroned, or live. According to the beliefs of some religions, heavenly beings can descend to earth or incarnate, and earthly beings can ascend to heaven in the afterlife, or in exceptional cases enter heaven alive.

The Day I Died. Much of my life story and my near death experience is chronicled in my first book, Dying to Be Me. One of the most striking insights my near-death-experience (NDE) gave me was that this life—the life we are all living now on Earth—could become a heaven for us if we simply understood how it worked and what we needed to do to create that heaven as our reality.
