### Heavens Song Christopher West

I truly enjoyed Heaven's Song: Sexual Love as It Was Meant to Be, by Christopher West. This book on John Paul II's Theology of the Body (TOB) focuses on JP II's "hidden talks" and, due to certain potentially loaded ideas, such as the liturgical relationship between man and woman's sexual union as it points to the Divinity of the Trinity, the book is meant to be read by people who are already ...

### Heaven's Song : Christopher West : 9781934217467

It's nearly impossible to read Christopher West's new book, Heaven's Song without a radical regeneration of your view of marriage, and it's relationship with the Church. It's no accident that George Weigel called Pope John Paul II's Theology of the Body a "ticking theological time bomb that, when it goes off, will ignite the New Springtime of Evangelization".

Heaven's Song explores John Paul II's Theology of the Body in light of two recently discovered sermons on the topic not previously published in English. The book is in two basic parts, the first linking Mary with the beloved in Song of Songs and showing how the poetic and erotic language of that book is essential to understanding the passion with which God loves us and wants to be united with us.
