The city of Detroit, the largest city in the state of Michigan, was settled in 1701 by French colonists. It is the first European settlement above tidewater in North America. Founded as a New France fur trading post, it began to expand with British and American settlement around the Great Lakes in the nineteenth century. Industrialization drove it into becoming a world-class industrial ...

Global History and Geography Regents Examinations

The history of the Shroud of Turin can be best studied by dividing it into two specific categories. The general consensus of even the most doubting researchers is to accept a "1350" date as the beginning of the "undisputed" or documented history of the Shroud of Turin. This also happens to coincide with the approximate date determined by the 1988 carbon dating of the cloth.

Shroud History
