Hollywood 101 The Film Industry

The cinema of the United States, often generally referred to as Hollywood, has had a profound effect on cinema across the world since the early 20th century. The United States cinema (Hollywood) is the oldest film industry in the world which originated more than 121 years ago and also the largest film industry in terms of revenue.

Film industry - Wikipedia

Hollywood is a neighborhood in the central region of Los Angeles, California, notable as the home of the U.S. film industry, including several of its historic studios. Its name has come to be a shorthand reference for the industry and the people associated with it. Hollywood was incorporated as a municipality in 1903. It was consolidated with the city of Los Angeles in 1910 and soon thereafter ...

The original 181-minute cut, I mean. Saw it on the Universal lot. Rough sit. I never saw the 129-minute Alan Smithee version. Needless to say this Manhattan coffee shop scene between Brad Pitt and Claire Forlani would've worked better without the double-hit ragdoll body bounce-flopping...really bad CG. Imagine if just after Forlani walks off she hears the screech of tires and sounds of ...

The Golden Age of Hollywood: From 1930 to 1948. The 1930s decade (and most of the 1940s as well) has been nostalgically labeled "The Golden Age of Hollywood" (although most of the output of the decade was black-and-white). The 30s was also the decade of the sound and color revolutions and the advance of the 'talkies', and the further development of film genres (gangster films, musicals ...
