

## *Home Stereo Buying Guide*

### Home Stereo Buying Guide

Stereo systems come in a wide variety of designs, features, and prices, but they all have three things in common: Speakers (two for stereo sound, more for surround sound or home theater), a Receiver (a combination of an amplifier with an AM/FM tuner) and a source (CD or DVD player, a turntable, or another music source). You can purchase each component separately or in a pre-packaged system.

### Seven Steps to Buying the Right Stereo System
