Review of the Honda NTV 600 Revere -  
By Ren Withnell I purchased this bike as  
a second bike. I already had the SLR 650  
that I love, but on those occasions it  
needs attention it leaves me with no  
2-wheeld transport. I've always liked the  
NTV range of bikes because they are  
known for their reliability and ease of  
maintenance.
