Hostile Takeover - Investopedia

A hostile takeover allows a bidder to take over a target company whose management is unwilling to agree to a merger or takeover. A takeover is considered hostile if the target company's board rejects the offer, and if the bidder continues to pursue it, or the bidder makes the offer directly after having announced its firm intention to make an offer. . Development of the hostile tender is ...

Takeover - Wikipedia

Takeovers: This created a need for some regulation to protect the interest of investors so that the process of takeover and mergers is used to develop the securities market and not to sabotage it

Takeovers - a critical analysis

Why It Matters. Takeovers can create a bigger, more competitive, more cost-efficient entities. This synergy-- that is, the idea that the two companies together are more valuable to the shareholders than they are apart -- is elusive, but it is what justifies most takeovers. After all, acquirers always have the much harder option of trying to "grow their own" by starting their own competitive ...

The Byzantine Empire. Encyclopædia Britannica, Inc. The very name Byzantine illustrates the misconceptions to which the empire's history has often been subject, for its inhabitants would hardly have considered the term appropriate to themselves or to their state. Theirs was, in their view, none other than the Roman Empire, founded shortly before the beginning of the Christian era by God's ...
