### **How Did I Begin**

Began is the simple past tense of begin. An example conversation using both of these is: "How did it all begin?" "It began when I first saw her face.". In the first sentence, because the verb uses the auxiliary verb "do", the past tense is conveyed by changing do to "did".

### **past tense - Which is correct? How did it all began/begin ...**

"How Did It Begin?" is an entertaining look at why we do and say the things we do. — With his trademark curiosity and delight, Dr. Rudi Brasch delves into the forgotten meanings and fascinating origins of our customs, traditions, superstitions, and phrases.

The Beginning. This became the Triple Aim, and as we began to engage organizations in improving the experience of care, improving the health of a population, and reducing per capita costs, we realized that health care can only do so much. Triple Aim has become a framework for us to think about addressing all the determinants of health.

Quick Answer. Buddhism began in the 7th century B.C., when Buddha Shakyamuni began teaching the path to enlightenment after he himself was enlightened under a Bodhi tree while living in the forest after renouncing his role as prince. Buddha began spreading the four noble truths. These truths were the first spokes in the first turn of the wheel of Dharma.
