In the end there is not all that much difference between reporting quantitative and qualitative data - the main issue is to present the findings of a study in such a way that those who wish to use them can understand what has been done and what the results are. Qualitative data analysis is often ...

To some extent all questions may be approached either quantitatively or qualitatively. It all depends on what is our chief goal. Are we interested in a systematic approach, in order to produce comparable, generalisable data, or do we want to produce a "thick" description of a particular case/group ...

Harold Joseph Laski (30 June 1893 – 24 March 1950) was a British political theorist, economist, author, and lecturer. He was active in politics and served as the chairman of the British Labour Party during 1945–1946, and was a professor at the London School of Economics from 1926 to 1950. He first promoted pluralism, emphasising the importance of local voluntary communities such as labour ...

Back in February we published an in-depth look at the past and future of Finsbury Park Station. We noted that the future of Finsbury Park is being shaped by two projects designed to improve capacity and connectivity on the East Coast Mainline. One of these projects is the segregation of suburban services on the Hertford Loop, and this will be explored in detail in Part 2.

In the simplified pronunciation column below, stressed syllables are capitalised. In both pronunciation columns, a superscript letter indicates one that is optionally or barely articulated and a rotated 'e' (ə) indicates a schwa – the indeterminate vowel sound. For the full set of standard phonemic symbols for English (as used here), please see this page.
