

How To Construct A Website

How To Construct A Website

Quick & Easy. Bring your work to life in hours and days instead of weeks and months. With Construct 2 making games is a piece of cake: just drag and drop objects around, add behaviors to them, and make everything come alive with events!

Make Your Own 2d Games With Construct 2 - Scirra.com

Construct created visual identity and website for Le Grand Bellevue – a five star hotel in Gstaad, Switzerland. The 101-year-old building was renovated by its new owners - a hotelier and an interior designer - earlier this year.

Projects | Construct London

EVOLUTION OF VIRTUAL PRODUCTION CONSTRUCT prototypes the virtual production workflow of the future. By introducing photorealistic lighting and rendering solutions into a real time performance capture context, a wider range of artistic considerations for directors and cinematographers arise.
