Dress for Success: Men. If you need to dress formally, you can't go wrong wearing a gray or navy two-piece business suit, a shirt and a silk tie that matches the colors in your suit. If the company is a bit more informal, you could wear smart dark jeans or dark trousers and a jacket. Your belt should always match your shoes.

### **How to Dress for Success for a Job Interview | LiveCareer**

In many cases, it does. In a conservative business climate, appearances do matter. In other environments, it isn't as important. For example, attire for a summer job interview or a startup job interview will be less formal, but it does make sense to dress your best for the interview, regardless of the dress code at the organization.
