Step 7. Get a goal buddy. Share your goals with each other. Identify some specific action steps you will take each week to move forward, and report to each other on your progress. If your goal buddy doesn't think your goal is reasonable or possible to achieve, find a new goal buddy.

### **7 Steps for Getting What You Want | Psychology Today**

People say they want sympathy, they need empathy. People say they want power, they need respect. If you supply what someone truly needs, they will do anything you want. Listening is the key. People would rather talk than listen. You can use that to your advantage and let other people talk and tell you what they want and need. People just like to talk.

### **The Secret to Getting People to Do What You Want - Lifehack**

You may have spent years daydreaming about the prestige that will come with that executive position, but don't get caught with drool on your chin when it's time to take the reigns.

### **6 Effective Ways To Get What You Want Now - Forbes**

The best way to get what you want is to see life as a marathon, not a sprint. In the end, what you want is true fulfillment, relationships that are rewarding and engaging, some peace and calm amid the constant chaos. You walk in to buy a car and start berating the sales agent to give you a good deal. Maybe you even get a good deal.

What does it take to get a man to truly commit and want only you? It's a question I've been asked more times than I could ever quantify. What men desire most is a woman who inspires them to be their best self. Being that woman is a much different mindset than what most women typically do ...

### **4 Ways to Make Him Commit and Want Only You**

Be careful the universe works to give you what you ask for sounds like a threat or does it sound like a promise? In actuality, the phrase - the universe works-can be either an imminent warning of bad things to come or the assurance of something great just around the bend. How you perceive, more importantly, how you actualize the expression makes all the difference in the world.
