### **How To Stop Living Paycheck**

The problem with living paycheck to paycheck is that you're susceptible to financial damage. It's easier to accumulate a lot of credit card debt or worse, payday loan debt. The more credit card debt you accumulate, the higher your minimum payments will be. Before you know it, you won't be able to afford your minimum payments and you won't be able to borrow more money to make ends meet.

### **How to Stop Living Paycheck to Paycheck - The Balance**

Ideally, you should get into the habit of setting aside 15% to 20% of each paycheck for the future rather than spending all of it on living expenses.

### **How to Stop Living Paycheck to Paycheck -- The Motley Fool**

From a financial perspective, living from paycheck to paycheck is disastrous, "and it's not stable from an emotional standpoint, either," says Kathryn Garrison, senior financial adviser at Moss Adams Wealth Advisors. "Debt has a way of snowballing and your stress snowballs right along with it." It's time to break the cycle — now.
