Below here are past papers for many of the common HSC subjects such as: all levels of mathematics (2U, 3U, 4U and general), English (Advanced and standard), The sciences (senior science, chemistry, physics, biology) Information process technology; Economics

Past papers - HSC central

Investigating Science is a new HSC course for NSW students beginning in 2018. It concerns all aspects and disciplines of Science, however, unlike other science courses, the focus is on developing scientific skills needed in practising Science.

Investigating Science - HSC

Additionally, in keeping with the Catholic ethos of the school, assessment experiences reflect gospel values where every student is provided with a platform to give of his or her best. The HSC internal assessment program is designed to provide a summative measure of a student's achievement in each course.
