Konkani Recipes, Side dishes, Pathrado is one of my all time favourite dishes. I remember writing 'pathrado' in the 'favourite food' column of autograph books which were circulated during our college days (autograph books are little books having columns as name, address, phone number, favourite actor, favourite actress, favourite food etc etc.

Pulling weeds by hand is not always easy or practical, they're pesky and determined to pop back up and spread in no time. If you're looking for more natural ways to control them that don't include harsh chemicals and are safer for children and pets (bonus: most are pretty frugal too), here is a list of diy recipes and solutions from my collection.

I am delighted to discover this website because I am a huge fan of preserved lemons. This morning I fried some onions with chopped preserved lemons in olive oil, then added some chopped lacinto kale and sautéed it until wilted, then cooked an egg on top of the veggies (slightly steamed it by putting a lid on the pan), and then put all of that on top of an avocado toast.

Once you try brined turkey on the EGG, you'll agree that nothing does a better job of roasting meats. The turkey has a subtle smoky flavor and is moist and succulent, but if you prefer a bolder smoky flavor, add more hickory or pecan smoking wood chips in increments during cooking. This turkey is great for holiday meals, and you can use the leftovers to make wonderful sandwiches or meat pies.
