IB students are evaluated externally, two ways. One way is through the internal assessment lab report, which accounts for 20% of the overall IB score. The second way is through the external assessment, which consists of three papers or exams. Each paper has a different format and content by which you are evaluated.

The IB uses a criterion based approach to assessment. This means that students work is judged against identified levels of attainment and not against the work of other students. At the grade award meeting which takes place once all the papers have been marked levels of attainment, in the form of grade boundaries are agreed. There is consideration of the difficulty of the exams and the ...
