Lojban language logo; Many science fiction novels have noted how difficult, illogical, unscientific, and inefficient the English language is (did you know that "ghoti" should be pronounced "fish?"). It is certainly a burden for people to learn as a second language, and even more so to try and teach to an alien race.

In Meyer's Official Illustrated Guide, the author provided Alice fans with some much-needed backstory for the beloved psychic vampire. While Edward and Rosalie both grew up in upper-class families and were accustomed to the level of wealth the Cullen family achieved as vampires, Alice was never particularly rich and she probably wasn't able to pursue her love for fashion until she joined the ...
