

## *Imperialism And The Progressive Era Answers*

### **Imperialism And The Progressive Era**

The Progressive Era was a period of widespread social activism and political reform across the United States that spanned from the 1890s to the 1920s. The main objectives of the Progressive movement were eliminating problems caused by industrialization, urbanization, immigration, and political corruption. The movement primarily targeted political machines and their bosses.

### **Progressive Era - Wikipedia**

I. Introduction “Never in the history of the world was society in so terrific flux as it is right now,” Jack London wrote in *The Iron Heel*, his 1908 dystopian novel in which a corporate oligarchy comes to rule the United States. He wrote, “The swift changes in our industrial system are causing equally swift changes in our religious, political, and social structures.

Imperialism is policy or ideology of extending a nation's rule over foreign nations, often by military force or by gaining political and economic control of other areas. Imperialism was both normal and common worldwide throughout recorded history, the earliest examples dating from the mid-third millennium BC, diminishing only in the late 20th century.

United States - The new American empire: McKinley easily defeated Bryan in 1900. The victory, however, was hardly a mandate for imperialism, and, as events were soon to disclose, the American people were perhaps the most reluctant imperialists in history. No sooner had they acquired an overseas empire than they set in motion the process of its dissolution or transformation.
