14 thoughts on " Sweet Potato Banana Dog Biscuits " Stephie March 10, 2015 at 8:12 am. I'm sending Momma over to see these treats. She makes all of the beagles' treats, because she's terrified of the China treat thing, since she lost our old cat from kidney failure when the first China pet food thing came out years ago.

We all love our pets, but that doesn't mean we always know what is the best thing to feed them. With hundreds of different kinds of cheap dog food on the market, it can be difficult to find out what the best dog food is for our pets.. The simple answer is that the best dog food brands for your pet depends on your specific breed, their sensitivities, and a number of other factors.

4. Grooming is a must. Once a Great Pyrenees gets his adult coat (around 6-8 months), weekly brushings are essential. A pyr's coat is remarkable in that it keeps him warm in the winter and cool in the summer.. However, a good brush is necessary to pull out the dead undercoat that can prevent proper air circulation. Shaving a Great Pyrenees eliminates his ability to regulate his body ...
