Indesign Essentials The Fast Track

Adobe InDesign enables you to create a diverse range of print design and marketing materials with the only limitations being your knowledge! To fast-track and reinforce your InDesign training, we have developed our own courseware (step-by-step printed workbooks) that you can take with you after the course.. We demonstrate best workflows and include graphic design related topics such as colour ...

Catalog printing is one of the best marketing strategies for retail businesses, and it's at the core of mail-order catalog companies. In fact, studies have shown that many consumers prefer print catalogs over online catalogs and other advertising methods. Free catalog templates make it fast and easy to design and print professional catalogs that boost sales.
