

International Journal Of Soft Computing And Engineering

International Journal Of Soft Computing

International Journal of Soft Computing is a peer reviewed open access scientific journal. It covers the original, scientific, theoretical and applied research in the field of Soft Computing. IJSC started publishing activity in 2006, since that time, it is available in online and print format.

International Journal of Soft Computing (2019 Volume 14)

International Journal of Soft Computing and Engineering (IJSCE) covers topics in the field of Computer Science & Engineering, Information Technology, Electronics & Communication, Electrical and Electronics, Electronics and Telecommunication, Civil Engineering, Mechanical Engineering, Textile Engineering and all interdisciplinary streams of Engineering Sciences.

HOME | International Journal of Soft Computing and ...

International Journal of Soft Computing. SJR is a measure of scientific influence of journals that accounts for both the number of citations received by a journal and the importance or prestige of the journals where such citations come from It measures the scientific influence of the average article in a journal,...

International Journal of Soft Computing - SCImago Journal Rank

IJASCA is a peer-reviewed journal, published three times a year that publishes articles which contribute in all areas of Advances in Soft Computing. All the papers in the IJASCA are refereed papers by two international reviewers.

About IJASCA - International Journal of Soft Computing and ...

The International Journal of Soft Computing and Software Engineering (JSCSE) provides a forum for software engineering research that publishes empirical results that are relevant to both researchers and practitioners. JSCSE encourage researchers, practitioners, and developers to submit research papers reporting original research results, technology trend surveys, reviewing an area of research in software engineering and knowledge engineering and knowledge engineering, tools.

International Journal of Soft Computing and Software ...

Soft Computing encourages the integration of soft computing techniques and tools into both everyday and advanced applications. This Open access peer-reviewed journal serves as a platform that fosters new applications for all scientists and engineers engaged in research and development in this fast growing field.

International Journal on Soft Computing (IJSC)

Welcome to AJSCA Aloy Journal of Soft Computing and Applications (AJSCA) is an international journal launched by Aloy Publishers. It is a blind peer review journal, letting the authors to know more about their articles through the experts' review report.

International Journal of Soft Computing and Applications ...

The contents of the journal are peer-reviewed and archival. The journal INTERNATIONAL JOURNAL OF ENGINEERING AND ADVANCED TECHNOLOGY (IJEAT) publishes scholarly articles of archival value as well as tutorial expositions and critical reviews of classical subjects and topics of current interest. Authors should consider the following points:

International Journal of Soft Computing and Engineering

International Journal of Biomedical Soft Computing and Human Sciences (IJBSCHS) is the official journal of Biomedical Fuzzy Systems Association (BMFSA) in Japan since 1995, which publishes twice per year.

International Journal of Biomedical Soft Computing and ...

Soft computing is a collection of methodologies, which aim to exploit tolerance for imprecision, uncertainty and partial truth to achieve tractability, robustness and low solution... Applied Soft Computing is an international journal promoting an integrated view of soft computing to solve real

life problems.

Applied Soft Computing - Journal - Elsevier

International Journal of Soft Computing and Networking from Inderscience Publishers addresses the interdisciplinary and trans-disciplinary nature of both these rapidly expanding fields of computation International Journal of Soft Computing and Networking (IJSCN) Inderscience Publishers - linking academia, business and industry through research

International Journal of Soft Computing and Networking ...

By linking the ideas and techniques of soft computing with other disciplines, the journal serves as a unifying platform that fosters comparisons, extensions, and new applications. As a result, the journal is an international forum for all scientists and engineers engaged in research and development in this fast growing field.

Soft Computing - Springer

Soft Computing. By linking the ideas and techniques of soft computing with other disciplines, the journal serves as a unifying platform that fosters comparisons, extensions, and new applications. As a result, the journal is an international forum for all scientists and engineers engaged in research and development in this fast growing field.

Soft Computing - incl. option to publish open access

International Journal of Artificial Intelligence and Soft Computing from Inderscience Publishers bridges the gap between artificial intelligence and soft computing, with theoretical/applied research International Journal of Artificial Intelligence and Soft Computing (IJAIISC) Inderscience Publishers - linking academia, business and industry ...

International Journal of Artificial Intelligence and Soft ...

Journal abbreviation: International journal of soft computing. The abbreviation of the journal title "International journal of soft computing" is "Int. J. Soft Comput. It is the recommended abbreviation to be used for abstracting, indexing and referencing purposes and meets all criteria of the ISO 4 standard for abbreviating names of scientific journals.
