Carers play a vital role in supporting family members who are sick, infirm or disabled. 1 There is no doubt that the families of those with mental disorders are affected by the condition of their near ones. Families not only provide practical help and personal care but also give emotional support to their relative with a mental disorder.

Scholars today recoil at this pre-1960s consensus. The Penguin Historical Atlas of Ancient Greece, written in 1996, scoffs at the “undoubtedly dubious racial theories underlying much of this reconstruction,” but offers no theory to replace it, conceding only that “the origin of the Greeks remains a much-debated subject.”The Penguin author makes this startling admission, however ...
