There's a Riot Goin' On is the fifth studio album by American funk and psychedelic soul band Sly and the Family Stone. It was recorded from 1970 to 1971 at Record Plant Studios in Sausalito, California and released later that year on November 20 by Epic Records.. The album's recording was dominated by band frontman Sly Stone during a period of drug use and intra-group tension.

The internet has developed a small cottage industry out of repurposing footage of white nationalist

and certified Bad Human Being Richard Spencer getting punched in the face last month on the day of the Trump inauguration. Now, Nazi punching videos are moving out of the realms of Giphy and YouTube and into the real world, with Gothamist reporting that a Nazi-punching film festival is in the works.
