This is a collection of Japanese fairy tales translated by Yei Theodora Ozaki based on a version written in Japanese by Sadanami Sanjin. According to Ozaki, "These stories are not literal translations, and though the Japanese story and all quaint Japanese expressions have been faithfully preserved, they have been told more with the view to interest young readers of the West than the technical ...

One of the first steps to speaking Japanese is to learn the alphabet. Japanese has three basic writing systems: hiragana, katakana, and kanji. Hiragana and katakana are the phonetic alphabets you'll need to learn to speak Japanese. These two sets of 46 characters represent the same sounds, and because most characters have only one pronunciation, hiragana and katakana are straightforward to learn.

The Sakas (or Shakas,), collectively the shakajana, , "Shaka people," were an Iranian steppe people who descended into India, much as the Ârya had earlier -- indeed, it is a pattern that would be repeated again and again until the Moghuls. The Sakas spoke an Iranian language. This is classified as "South-Eastern" Iranian, which geographically locates where the Sakas ended up, but not where ...

The response to Bento 101, my introductory course to the basics of bento lunch making, has been overwhelmingly positive. So I've decided to follow it up with another structured online course titled Japanese Cooking 101: The Fundamentals of Washoku. We'll be conducting it here on Just Hungry since it's about general cooking methodology rather than specific to bentos.
