If you ask for an explanation of a Jazz dance phrase, you'll probably be told it in French ballet terms. So it's a real mixture. Something you can't quite define. But in spite of all this, or maybe because of it, Jazz classes are some of the most enduringly popular dance lessons around. They are absolutely superb for toning the whole body.

Jazz dance guide for the complete beginner - Dance Class

In just 20 days, you will learn 20 different jazz moves that will introduce you to all the essential beginning steps for a classical jazz class. I walk through each one slowly and clearly, so that you know exactly how to execute each new step, and even provide a couple of camera angles to demonstrate.
