JCB 214E Series 4 Backhoe Loader Features and Specs

How much smaller is a JCB 210 than a Case 480? I have seen a Case 480 and I think it is too large for the type of work I do. I do alot small jobs in confined spaces. How roomy is the cab on the JCB, does it have enough digging power, does it have enough power in mud, how moneverable is it, what kind of maintaince or repairs have you had?
