Diaper fabric store. Also don't forget to check out our Bargains Galore section with tons of discounted remnants, slightly imperfect selections, or items that we are clearing out to make room for more

### **Kids in the Garden**

Gardening with kids is a great learning opportunity to teach math, science, social studies, reading, writing and social skills. We often underestimate the power of a garden as an educational tool. Here at The Educators' Spin On It, we strongly urge parents and teachers to PLANT A SEED with your child and watch them grow.

Get kids involved in everything from planning to harvesting. Bring them to plant nurseries with you, discuss the kinds of plants you might like to grow in your garden, and what those plants need to grow well. Then, let them make a few of the selections on their own. When kids are involved, they're invested.
