KonoSuba is a refreshing change after trudging through the endless mire of isekai (otherworld) anime. This parody is better and funnier than the vast majority of titles in the genre, not to suggest there is stiff competition. Everything works and make sense in this take on the genre, Kazuma being utter trash most of all.

KonoSuba: God's Blessing on This Wonderful World is an anime that has a lot of fun mocking the tropes of the typical JRPG fantasy world via a colorful cast of characters that are enjoyable in their own right. The comedy is so spot-on with its deadpan nature that it's hard not to be drawn in by that alone.
