From McDonnell-Douglas Astronautics Company presentation MDC G0583 12 Man Space Station (1970). Looks like Mr. Spock is aboard. An army marches on its stomach, and a nothing can raise the morale of a tramp freighter spacecraft quite like the prospect of a tasty hot meal in the mess deck. The flip side is that disgusting food can really drag down morale.

Of those American vessels near the Argonne when first contact was made with the enemy, only the Washington was sufficiently massive to go out in a blast of yonder size and shape. If that was the case Captain Martin Diaz of the United States Astromilitary Corps was a dead man. The other ships of the line were too distant, traveling on vectors too unlike his own, for their scout boats to come ...
