Credit Cards. The amount of credit card debt juggled by a majority of American households has exploded in the past few decades, due to aggressive marketing as well as a host of abusive and deceptive practices. Creditors would increase a cardholder's interest rate when a single payment was late or if the consumer's credit score has changed,...

Legal Issues with Background Checks. However, a growing number of states and cities - which now includes New York City - restrict employers from inquiring into criminal convictions (under the "ban the box" movement) or using credit histories in employment decisions. In light of these developments, here are some suggested Do's and Don'ts regarding employment background checks.

Just because someone is a lawyer doesn't mean he or she is knowledgeable in the area of consumer law. If you are going after a credit bureau, original creditor, or collection agency, you need to talk to a specialist in this field. Similar to the medical field, the legal field is very broad and no one can know everything about all areas of law.
