Like. "Petty human squabbles over borders and oil and creed vanish in the knowledge that this living marble surrounded by infinite emptiness is our shared home, and more, a home we share with, and owe to, the most wonderful inventions of life."  
— Nick Lane, Life Ascending: The Ten Great Inventions of Evolution.

## **Life Ascending Quotes by Nick Lane - Goodreads**

Well written and well narrated, The first few chapters grabbed my interest, but then it started getting difficult (at least for me). I returned to it after listening to 'Biology: The Science of Life - The Great Courses' (excellent) and was able to understand and appreciate the wonder of Life Ascending all the better for it.
