...

Limelight by Emily Organ is the first book in the Penny Green series. The book was enjoyable to me although I felt it was long and drawn out. However, this did not have any effect on my enjoyment. Penny was portrayed as a quiet and honest reporter who accidentally fell into helping Scotland Yard solve a murder of an acquaintance/friend.

Moving to a new historical era following on from the Runaway Girl series that was set in the 1350s, Limelight is set in 1883 and yet again Organ shows off her talent for creating a convincing world and transporting the reader back in time. What I also admire about Organ's writing is that even though I recognise her
