Foregrounding the transnational aspects of key concepts such as poetics, literary voice, canon and tradition, the book is intended for scholars and students of Italian literature and culture, classical reception and translation studies. With its two shifting focuses, on forms of classical tradition and forms of literary translation, the volume brings to the fore new configurations of 20th-century literature, culture and thought.

Cambridge Scholars Publishing. Echoing Voices in Italian ...

Translation criticism is the systematic study, evaluation, and interpretation of different aspects of translated works. It is an interdisciplinary academic field closely related to literary criticism and translation theory. It includes marking of student translations, and reviews of published translations.

Translation criticism - Wikipedia

Walter Benjamin, Longfellow (1807-81), Schlierermacher, Martindale (1984), seem to favour much more faithful translation or believe in foreignizing the native language. While most of the translators like Dryden are on the side of some sort of compromise between the two extremes.

Literary Translation: Recent Theoretical Developments

As a fine arts degree, MFA in Literary Translation combines creative practice with disciplinary training, offering the emerging translators a dynamic community of peer and advanced practitioners, and a broad curriculum on the history, traditions and theories that inform their practice. Along with faculty who regularly teach translation courses, the program is supported by a cadre of affiliate faculty -- translators, creative writers and scholars -- throughout the Division of World Languages ...

I am happy that the Translation Seminar is still going strong. I started it, informally, in the spring term of 1978. With the help of one of my doctoral students, we announced (not with posters), that a group of people interested in literary translation would gather every Friday to present and discuss translations.

History | Literary Translation

Ecocriticism is the study of literature and the environment from an interdisciplinary point of view, where literature scholars analyze texts that illustrate environmental concerns and examine the various ways literature treats the subject of nature. It takes an interdisciplinary point of view by analyzing the works of authors, researchers and poets in the context of environmental issues and ...
