Time is measured, even by non-Christians. The religion centered around him has more followers than any other. In studying Christianity we will first examine what is known or inferred about the life and teachings of Jesus. We will then follow the evolution of the religion as it spread to all continents and became theologically and liturgically

Living Religion, fifth edition, explores the expression and practice of the world's various belief systems that have arisen as people have sought answers to the ultimate questions of human existence. Religion, however one defines it, is complex. It can be a cohesive force in society and, at the same time, a source of division.
