Asbestos was a popular material for most of the twentieth century, mainly because of its ability to insulate and act as a fire retardant. In fact, it's still used heavily in some parts of the world, such as India and China. We know enough about the risks now, though, that it's banned outright in more than 50 countries according to asbestos.com and banned for some uses in the US. But how ...

The Book of Revelation seals the Bible on multiple levels; indeed, the word seal itself appears more in Revelation than any other Book with whole chapters devoted to the opening of the book sealed with seven seals and the revelation of the "seal of the living God" that sealed 144,000 of His servants.

### The Bible Sealed with Seven Seals

While living with Itzler and his family, the SEAL taught him the 40% rule. "He would say that when your mind is telling you you're done, you're really only 40 percent done. And he had a motto: If it doesn't suck we don't do it.
