Historiography is the study of the methods of historians in developing history as an academic discipline, and by extension is any body of historical work on a particular subject. The historiography of a specific topic covers how historians have studied that topic using particular sources, techniques, and theoretical approaches.

Napoleon's Italian Coronation has been neglected, or at best consigned to a footnote, by historical scholarship. The ceremony elicited immense expenditure and involved thousands of participants, but its true importance lay in the elusive, and somewhat confused, semiotic claims put forward by its organisers.
