Support New America — We are dedicated to renewing the promise of America by continuing the quest to realize our nation's highest ideals, honestly confronting the challenges caused by rapid technological and social change, and seizing the opportunities those changes create.

### New America

Coverture (sometimes spelled couverture) was a legal doctrine in common law whereby, upon marriage, a woman's legal rights and obligations were subsumed by those of her husband, in accordance with the wife's legal status of feme covert. An unmarried woman, or feme sole, had the right to own property and make contracts in her own name. Coverture arises from the legal fiction that a husband and ...
