Deus ex Machina (god from the machine) roared into Australia's cultural consciousness in 2006, with some neatly customised motorcycles and a quaint notion that doing something is more fun than just owning something. The Deus philosophy recalls an era before the various pursuits of fun - motorcycling, surfing, skateboarding, whatever - were divided into fundamentalist factions.

I retired in Bali... can you? Retirement crept up on me. I had excellent health, meager savings and a severe case of age-appropriate denial. Then, three friends died of cancer within eighteen months. I wasn't yet sixty-one. All younger than I, they had unrealized dreams and unfinished lives. "What now?" Read More
