red and black words In the Macmillan English Dictionary some words are red and some are black. The red words are the 7,500 most frequently used words in English. These 7,500 words account for about 90% of all text. 2,500 of these words are the most common words in English and have three stars in the dictionary.

Effective Reading - Macmillan Readers

Macmillan has identified the 7500 most common words in English and calls this group of words core vocabulary. Macmillan does not publish a list of words in this group, but it has an excellent way of identifying core vocabulary words. When you look up a word in the Macmillan online dictionary, the word will either be red or black. If the word is black, it is not a core vocabulary word. It is just a reference word.
