Atlantic travel. The Atlantic slave trade developed after trade contacts were established between the "Old World" (Afro-Eurasia) and the "New World" (the Americas).For centuries, tidal currents had made ocean travel particularly difficult and risky for the ships that were then available, and as such there had been very little, if any, maritime contact between the peoples living in these ...

The First Cable The manufacture of the cable started in early 1857 and was completed in June. Before the end of July it was stowed on the American Niagara and the British Agamemnon-- both naval vessels lent by their respective governments for the task.They started at Valentia Harbor in Ireland (which was by then connected to the rest of the British Isles) on 5 August.

Baseball: Baseball, game played with a bat, a ball, and gloves between two teams of nine players each on a field with four bases laid out in a diamond. Long called America's 'national pastime' and thought to have been invented in the U.S., the game was actually derived from the English game of rounders.
