The fact Cooperstown hasn't selected Ron Santo could cause some problems for his candidacy, but I think so long as we are able to support Nagashima's perceived defensive excellence as a third baseman with numbers which at least support the notion he was at least at the level of an average third baseman at a major league level with the glove, he's got a very good case for Cooperstown.

Who Else From NPB Might Be Worthy of Cooperstown?

Characteristics of Victorian novels. Victorian novels tend to be idealized portraits of difficult lives in which hard work, perseverance, love and luck win out in the end. They were usually inclined towards being of improving nature with a central moral lesson at heart.

Alabama, like the rest of the South, experienced drastic economic and social change in the post-Reconstruction, or New South, era. The term "New South" refers to the economic shift from an exclusively agrarian society to one that embraced industrial development. Influential southerners such as Atlanta Constitution managing editor Henry W. Grady employed the term in an effort to promote economic ...
