IOI Group Sustainable Palm Oil Policy

During the past six months or so, we have heard a lot about the EU Resolution and its proposal to ban palm oil into Europe. Almost every where we go, people are talking about palm oil and the proposed EU ban; from the commoner to businessmen and politicians. In many of our local programmes, people are talking about palm oil and the proposed ban.

The implications of EU Resolution to the Malaysian Palm ...

As a plant turned edible oil to meet the needs of consumers, palm oil today joins the ranks of commodities dividing nations worldwide for its environmental and political implications. An undeniable ...
