A banknote (often known as a bill, paper money, or simply a note) is a type of negotiable promissory note, made by a bank, payable to the bearer on demand. Banknotes were originally issued by commercial banks, which were legally required to redeem the notes for legal tender (usually gold or silver coin) when presented to the chief cashier of the originating bank.

By definition a research paper requires the writer to learn a great deal about their subject, so it is always a good practice to select a topic that truly interests you before you begin gathering

sources.. If you are interested in your topic, learning about it will be more pleasurable and you will write with greater passion, so choose your topic thoughtfully.

Education in India is provided by public schools (controlled and funded by three levels: central, state and local) and private schools. Under various articles of the Indian Constitution, free and compulsory education is provided as a fundamental right to children between the ages of 6 and 14. The approximate ratio of public schools to private schools in India is 7:5.
