Break through to improving results with Pearson's MyLab & Mastering. We're working with educators and institutions to improve results for students everywhere.

MyLab & Mastering | Pearson

Games, Auto-Scoring Quizzes, Flash Cards, Worksheets, and tons of resources to teach kids the multiplication facts. Free multiplication, addition, subtraction, and division games.

Everything multiplication at Multiplication.com

Good morning! In Kindergarten and Grade 1, students need practice subitizing. That is, being able to recognize at a glance and name familiar arrangements of objects without counting. It's an important precursor to estimation, skip counting and multiplication, and depends on students' understandings of conservation -- that 5 is 5, no matter how it is...

Find It! A Subitizing Game | Mathematical Thinking

Find Textbook Support Materials. Grade 1-6 resources for teachers, students, and families to support instruction in the classroom and at home.

Education Place®

DadsWorksheets.com delivers thousands of printable math worksheets, charts and calculators for home school or classroom use on a variety of math topics including multiplication, division, subtraction, addition, fractions, number patterns, order of operations, standard form, expanded form, rounding, Roman numerals and other math subjects.
