Great account! Many thanks for taking the time to share your experiences ☺☺ Also, based on your account, notably the i) high at the end (Day 8), ii) your ability to keep your mind in check when it comes up with some excuse and serotonin to distract you, and iii) the internalisation of the insight "that nobody cares" about what you do - those seem like three big wins to me.

This isn't a prelude to suddenly becoming active on FB but I felt I had to share this. Yesterday there was an AES session on mastering for high resolution (whatever that is) whose highlight was a talk about the state of the loudness war, why we're still fighting it and what the final arrival of on-by-default loudness normalisation on streaming services means for mastering.
