Latest research from the independent American think tank The Conference Board paints a worrying picture about the growth of UK labour productivity. While global growth in labour productivity has weakened following the financial crisis, its weakness in the UK is singled out in the Board's 2019 Productivity Brief. It finds that amongst large mature economies the decline in labour productivity ...

1. Introduction. The failure by leading economists to incorporate banking in their economic theories has been identified as a significant and costly weakness (Werner, Richard A., 1997, Werner, Richard A., 2005, Kohn, Donald, 2009).Likewise, it has been pointed out that the macro-economic feedback of banking activity had been neglected in finance research (Werner, 2012).
