I interact with a lot of people, who ask me for the advice on applying for a credit card. The first category is first time applicants, who need an all-rounder credit card because either they have just started a new job or are working in a government organization.; The second category of people who want to apply for a second credit card, to avail benefits on shopping, fuel and travel.

27 Best Credit Cards In India 2019 Review (Updated in March)

Square's Fees are Simple. One of the most appealing aspects of Square is that, unlike traditional credit card processors, Square credit card processing has only one fee: a per-transaction processing fee. The company does not charge any other fees that are typical of credit card processing, such as activation fees, monthly fees, gateway fees, PCI Compliance fees, downgrade fees, and early ...
