

*Music And Society The Politics Of Composition Performance And Reception*

### **Music And Society The Politics**

The connection between music and politics, particularly political expression in song, has been seen in many cultures. Although music influences political movements and rituals, it is not clear how or to what extent general audiences relate to music on a political level. Music can express anti-establishment or protest themes, including anti-war songs, but pro-establishment ideas are also ...

The politics of India takes place within the framework of the country's constitution. India is a federal

parliamentary democratic republic in which the President of India is the head of state and the Prime Minister of India is the head of government. India follows the dual polity system, i.e. a double government that consists of the central authority at the centre and states at the periphery.
