This is a list of National Trust properties in England, including any stately home, historic house, castle, abbey, museum or other property in the care of the National Trust in England

List of National Trust properties in England - Wikipedia

The national parks of England and Wales are areas of relatively undeveloped and scenic landscape that are designated under the National Parks and Access to the Countryside Act 1949. Despite their similar name, national parks in England and Wales are quite different from national parks in many other countries, which are usually owned and managed by the government as a protected community ...
